**Reading Comprehension(1)**

**Date:.....**

**Read the following passage then answer the questions below:**

People's problems are different in different parts of the world . In many European countries , the number of people is getting smaller . The birth rate is very low because many young people have only one child or none at all .

In some Arab countries , the number of people doubling every twenty four years . Many families continue to have large numbers of children . Parents like to have children to look after **them** when they become old and to help them with their work .

However , better medical services have helped to increase people's age . The size of the family is **connected** with the level of women's education . If more girls had gone to school in the last twenty years , family size in Arab countries wouldn't have continued to be so big .

**A) Choose the correct answer from a, b, c and d:**

- 1 – The most suitable title for the passage is : .....
- a) Food problems    b) People's problems    c) Education    d) health problems
- 2– The underlined word " them " in paragraph " 2 " refers to : .....
- a) parents                      b) people                      c) children                      d)families
- 3– The underlined word " connected " in paragraph " 3 " means .....
- a) Different from    b) continued to    c) related to    d)Different in

**B) Answer the following questions:**

4- Why is the number of people getting smaller in Europe?

.....

5- What do medical services help to do?

.....

**Reading Comprehension(2)**

**Date:.....**

**Read the following passage then answer the questions below:**

It's not quite right to think that school is only a place for learning languages , Maths , Science and other subjects . Pupils come to school to learn about life and about the world they live in . At school , **They** learn how to work and play with others who may be **different** from them and meet some of their best friends . In some countries , schools are open for the pupils to practice their favourite hobbies at the weekends .

School life also teaches pupils discipline . You can't do all what you want to do at school . There are rules which you have to follow and laws to obey . You spend a great part of your time at school , so you should help make it better . you should keep your school clean and tidy .

**A) Choose the right answer from a, b, c and d:**

1 – The best title for the passage is .....

- a) **The different languages**
- b) **The importance of schools**
- c) **Favorite hobbies**
- d) **The different subjects**

2– The underlined word ( **They** ) in paragraph( 1) refers to :-

- a) **Pupils**
- b) **teachers**
- c) **Schools**
- d) **languages**

3– The word ( **different** ) in paragraph ( 1) means:

- a) **similar**
- b) **familiar**
- c) **unlike**
- d) **like**

**B) Answer the following questions:**

1-Why do some schools open at the weekend?

.....

2-What does school life teach pupils?

.....

**Composition 2:**

Life in the future will be completely different.

Write two paragraphs of 8 sentences about “**life in the future**”.

**The following guide words and ideas may help you:**

\*Life in the future: life – different – easier – comfortable – prediction - everywhere.

\*Possible things in the future : cars – robots –  
mini-computers – medicine – e-books.
