B) READING COMPREHENSION (16 Marks)

Read the following passage, then answer the questions below:

Black tea was first discovered in China 5000 years ago. There was an old story about the Emperor of China Shen-Nung, who was drinking a cup of boiled water when some tea leaves suddenly fell into his cup. He liked the taste and started drinking it every day. Later, he found that all his pains **disappeared** and felt well.

Nowadays, most black tea comes from Africa, India and Sri Lanka and is sent all over the world. People in the UK, for example, drink over three cups of tea a day. They say that tea gives you energy in the morning before work, and helps you to relax at the end of a long day.

Scientists discovered some benefits of tea. **It** is an important part of a healthy diet, just like fruit and vegetables, and you might lose weight if you drink it without sugar. Another good news for tea lovers is that it may help to stop cancer.
