Co - p - ss

- ail - r

t- easur-

Composition

Write simple sentences with the help of the following picture and words:-

Compass

Arab invention - directions - sailors - needle - point - north - useful

Write simple sentences with the help of the following picture and words:-

Computer

useful - invention - play - read - home work - e- mails

Reading comprehension

Read the following passage then answer the questions:-

Deep in the sea, it's very dark because not much sunlight can go that far down. The fish in this water make their own light. The lights are part of their bodies.

One kind of fish that makes light is the lantern fish. They are thin and tiny. Some are short as a finger. The larger ones are as long as your arm. Some lantern fish are blue, green or silver. The ones in the deepest water are brown or black. A yellow, green or blue light shines from their bodies.

Choose the correct answer from a, b,c and d:-

1-The best title for this passage could be ----- .

- | | |
|------------------|-----------------------|
| a) Kinds of fish | b) Sunlight |
| c) Different | d) Light in deep seas |

2- Deep in the seas, ----- .

- | | |
|------------------------|---------------------------|
| a) fish are very small | b) it's very dark |
