#### I. Reading Comprehension (10 Marks)

#### Read the following passage, then answer the questions below:

Our world today is different from our world ten years ago. The new inventions have made life easier and better. In the past, people used camels and horses to go from one place to another. Some people travelled by ships and even on foot. Today, planes fly across the world in a very short time. They have made the world very small. Children's games have changed too. Now, **they** play computer games and with I Pads. We are blessed with those inventions.

I live with my family in a big house in Ahmadi. My grandpa lives with us, too. I like him so much because he's always nice to me and he tells me wonderful stories. Last night, he told me a story about Sindbad the sailor. I liked the story very much because I like sailing over the sea
