6-Reading Comprehension (20marks)

Read the following passage then answer the questions below:

Nowadays most people spend much time in playing computer games or watching T.V. **They** find it impossible to spend any time in reading books. The first attraction to books is the pleasure you get in reading, so you should start reading at an early age. You will certainly enjoy being seated with your best friend: The book; it is a real friend who makes you spend your time in an interesting way and never argues with you or causes any troubles. In addition to pleasure, there's much knowledge to get from books. They keep you informed about what happens in the world. Nothing can help you improve your language and enlarge vocabulary like reading. Unfortunately, most students give no real attention to this fact because they think that words grow naturally in their minds.

There are **essential** ways to encourage children to read at an early age .First, Surround your children with reading materials. Second, make reading an important part of their lives.
