

Total Mark (40 Marks)**I – Reading Comprehension (12 Marks)****Read the following passage then answer the questions below:**

Sleeping is very important to your health. It makes you feel better and work harder. Sleeping is very useful for your heart, weight, mood and blood. It is just as important as eating healthy food and exercising. If you want to sleep well at night you should relax your body and mind by taking a warm shower early in the evening. You shouldn't eat heavy meals or drink coffee before bedtime. Also, you shouldn't watch television or use computer before going to bed. Remember, you can't have good health without taking care of your sleep.
