\* Read the following passage then answer the questions below

Yesterday I went to the beach with my family. We were having a fantastic time when something odd happened. Mum and dad were sitting under an umbrella. My younger brother was listening to his iPod and my sister was building sandcastles. I was buying ice cream because it was very hot.

Suddenly, a man was running after a dog and shouting for help. The dog had a handbag in its mouth and it was running very fast. I tried to help and started running after the dog, too. In the end, we knew that the dog belonged to a man who trained it to steal handbags from people on the beach.

Finally, we could catch the dog and phoned the police. They arrived at once and we gave them the dog. That's when they told us the whole story and we couldn't believe our ears. I can't imagine how such people could get up every morning and think to do bad things like this.
