About a hundred years ago, time was very different from it is nowadays. People could not believe that they can talk to one another through the telephone. They were very surprised and couldn't believe that they can listen to the news, songs or music on the radio. They said, "It must be the end of the world ."

Life has changed a lot nowadays because of many scientific inventions. You can see the most modern electric inventions everywhere. At home, we use air-conditioners, mixers, washing machines, computers, fridges, irons and others.

The computer is a wonderful machine. It's used nearly everywhere and by different people: Teachers, doctors, pilots, farmers, scientists and others. It can keep lots of information, answer questions, send and receive messages. It is very fast and exact so it never makes mistakes. Those inventions made our life easier and more comfortable.

**Total Mark ( 50 Marks )****I. Reading****A) Reading Comprehension ( 20 Marks )****Read the following passage, then answer the questions below:**

My name is Salim . I like school. One day we were discussing hobbies in the class. Our teacher asked each one of us to talk about his hobby. My friend Fahd said his favourite hobby is riding horses. My friend Saad said fishing. Others admired camping, travelling, reading and watching TV.

I listened to all my friends . Then I began to talk about photographing or taking photos. It is my favourite hobby. It is really a nice hobby. I like photographing flowers very much. I also like photographing young children. I watch them carefully and I wait until I get good pictures of them. It isn't easy because children move very quickly. They never stop until they go to sleep. I have got a good camera. I save money to buy a video camera. This will help me to film all happy things of my family.

**Total Mark ( 50 Marks )****I. Reading****A) Reading Comprehension ( 20 Marks )****Read the following passage, then answer the questions below:**

Many years ago, all the animals lived together in the forest and the lion was the king. He asked all the animals to bring him nice food every day. One day, the rabbit couldn't bring food to the lion. He was not strong but he was clever. He had a clever idea. So, he told the lion that there was another strong lion in the forest and he met him near the river. He told him that the strong lion took the food and ate it.

The lion went with the rabbit to see the other lion; his enemy who ate his food. When the lion saw himself in water, he thought this was the other lion. The lion jumped into the deep water and died. All the animals were happy and thanked the clever rabbit for his good idea.
