## II - Reading Comprehension ( 12M )

Read the following passage, then answer the questions below:

Water is an important source for us to live with . Nobody can live without water . Human, animals and plants will die if there is no water for a long time . People use water for drinking, washing, cooking and watering plants. They can get water from many sources like rain, rivers, wells and seas.

We must save water. We should always turn off the tap after using it. Water is a blessing gift from Allah and we should be thankful to him for giving it to us .

Choose the correct answer from a , b , c or d (4x3=12):

1- The best title for the passage could be :

- a) Water is very important.                      b) We can live without water .  
c) Watering plants .                      d) sources of water .
